PRESIDENTS MESSAGE

Wow where has the summer gone. In a few weeks we will be having our state show a LCPPA. I'm looking forward to it as they always treat us well when we are there and we always have a good turnout of red. As you know we are featuring the 100 thru the 660 series of tractors this year so let's dig them out and show them off. Fresh paint or working clothes it doesn't matter. Let's put on one of the best shows ever. Just a reminder that Bob Buxton our national president is coming so let's be sure to show him a big Chapter 15 welcome. The feature building is filling up with tractors and vendors as well as a newly restored gold demonstrator plow. If you have something you would like to display in the feature building let me or Kathy or Gail know so we can get it in. If you are planning on

attending the banquet/meeting please let Kathy or myself know so we can have an accurate count for the meal. We don't want to run out or have too much left. We are still looking for someone to take 'Bob Koepps place as merchandise chair. So please give it some serious thought and let me or one of the board members know if you are interested. We will be discussing and voting on a by-law change at the December meeting concerning how we do collect our dues. We are collecting them correctly but the verbage in the by-laws doesn't read correctly. So that change needs to be made. I also wanted to take the opportunity to thank Dave and Tony for letting us out to their places for our summer visit. It was a good day and there were some nice pieces to look at. I was saddened to hear about the passing of Dorothea Paul. I liked her art work and always enjoyed visiting with her at our shows. She will missed. I will be looking forward to seeing you in the next few weeks. Till then be safe and take care.

IHCC MN Chap. 15 Meeting Minutes 07/22/2017

Meeting was called to order by President Bill Radil.

There were no reports given at the meeting.

Old Business

Thanks to Tony and Dave for hosting our summer visit/meeting.

There was some discussion about the Red Power Round Up in Des Moines. People shared their thoughts and opinions on how it was set up, what they saw and how it overall was.

New Business

Joel Kline gave a little presentation about the trust and its activities and how the monies are being used.

There was discussion about our upcoming state show at LCPPA. Set up of the feature building was discussed. Many items will be on display. Bob Buxton our National President will be our special guest and speaker at the banquet on Saturday night. The meal has been finalized. The threshers Kitchen will be preparing the meal. Scalloped potatoes and ham, corn, roll, beverages and desert. The cost will be \$8.00. They have asked if we can assist in serving and cleaning up. The banquet will be at 6:00 PM Saturday the 26th at the pancake house on the Pioneer Power Show grounds.

Cliff Ulferts President of the Atwater Threshing club gave a nice presentation and invite for us to come to their show in 2019. We thanked him for coming and told him we would be deciding at our December meeting about 2019.

We are still looking for someone to take over the merchandise chair position. Bob said he would not go any longer than December. Sooner the better.

With no other business meeting was adjourned.

Respectfully Submitted For Andrew Kappers
