PRESIDENTS MESSAGE

Hi everyone. Hope this find you well. As I write this farmers are trying to get the rest of the 2017 crop finished. I don't know where the fall went this year but it sure went fast. The show's are done for another year and planning begins for 2018. I would say we had a decent year. Everything seemed to go with out any major complications. We got about 2 1/2 hours of plowing in at Herman's and no plowing got done at Bart's but people showed up and sat around and swapped stories and ate their fill. I woke up and saw it was raining so I stayed home. My loss I guess. I acquired another treasure this year. I got my neighbors F20 from down home. It got away from me 30 years ago but I kept track of it and it came up for auction this summer. Its stuck and I'm working on getting it loose again. I think he would be happy to know I have it now. I hadn't drove it for 41 years. It

was nice to get it home. After some long discussion the board decided we won't do a collectors visit next year. The turn outs have been low the last couple years so we decided to try two shows next year. Hopefully we can get them in different areas of the state to spread it out a little. I know it was brought up about spreading the shows around more but we go only where we are invited and what you vote on to go to. We will be holding elections this December. Kathy, Erwin and Andy's terms are up. So far they are planning to run again. Tony Hassebroek has expressed interest in running. If you are interested in running for the board let Kathy know. I was saddened to hear we lost Fred Vergin. Fred was a long time member and always had nice stuff. His demonstrator tractors were second to none. There's going to be plenty to discuss at the meeting so I hope you can be there. Your input is important to the club. We will see you in December. Stay warm and stay safe. Red's the best!

IHCC MN CHAPTER 15 Board Meeting Minutes

Meeting was called to order by President Bill Radil. Roll call of the board was taken Erwin Atzenhoefer, Andy Kappers, Kevin Happke and Jerome Bambenek were absent.

The Secretaries report was read and approved, as was the treasures report.

There was no old business.

The 2018 state summer show will be held at the Scott-Carver show grounds in Jordon on August 3,4, and 5th. The show will feature H's and Super H's. All and any IH items are welcome!

At the next meeting; all members will be asked to vote on 2 shows to attend in 2019. We have 4 groups that would like our to feature our IH club. It was the Board's thought that since we probably won't be having any member's home collection's visits, that we would do 2 state shows, one in the southern part of the state, and

one in the northern part of the state. Those shows are Atwater-Mable-Butterfield and Rice County. All members will vote with a paper ballot.

The winter show will be in Branson, Mo. in March 8th thru the 10th. Chapter 15 will have a table there.

The members will also be asked to vote on a change to the club's by-laws. Article 5, section #2. The membership dues Club and National dues were due on January each year and were due again in the following Jan. Because of the volume of members, we will be voting to change that date to March of each year and will be due in the following March as requested.

The following terms of directors will be up for re-election; Andy Kappers, Erwin Atzenhofer and Kathy Eckstrand. Any member interested in being on the board of directors, please contact Kathy.

The chapter is close to setting a record; when we have a new member that will be issued membership #1000. More information to follow later.

The chapter website is being updated by Dave Kanten.

There are 3 items that will be offered for sale by silent auction. These trailer items are no longer needed; 1 coleman jug, 2 banners from 1999 & 2011 RPRU and a small 2 wheel cart.

Dave and Joyce Kanten will be the new merchandise managers, We thank Bob and Murial Koepp for all the work done on the trailer and merchandise.

There being no other business, there was a call for a motion to adjourn. Motion was made and second. Meeting adjourned at 1:00 pm

Respectfully submitted,
Kathy Eckstrand for Secretary Andy Kappers

MEMBERSHIP REPORT

Jerry Bambenek

Chapter 15 membership dues are payable as of March 1st. Such as March 1, 2018 for this next year. The National organization removes unpaid Chapter 15 National members June 1. I remove the Chapter unpaid members shortly after June 1. I provide forms at the December meeting and a number of members pay then and I give them their membership card at the March meeting. That approach saves them and Chapter 15 postage.

I send out dues notices to unpaid members about February 1st. The dues notices are sent in a window envelope and include your telephone numbers and Email address on the letter. Therefore you can see what information I have on file for you and you can make corrections on the portion of the letter you send back with your dues.

The Club has 342 members as of November 15, 2017.
