PRESIDENTS MESSAGE

02-12-26

Greetings all, I hope this finds you well. As I sit here and type this the temps outside are suppose to be in the upper 40's with 50's forecast for the weekend. Only in Minnesota. I imagine some of you have been busy with winter projects and are in the home stretch of finishing them up. Since my shop needs the overhead door replaced I haven't made much progress as I loose to much heat. I just hate the thought of the cost to replace that door.

The winter convention is coming up March 19-21 in Clemmons, NC. I hope to see some of you there. Diane and I will be flying out and are looking forward to the change of scenery and meeting up with some of our IH friends. Of course it won't be

all play as we have some club business to attend to.

With that being said your board and the round up committee have been meeting discussing the 2028 round up and the 2026 show season. We had a zoom meeting with the folks from Thief River Falls in January to discuss progress and future details. Most of which is going well except we are still waiting on the contract from the curling club. Hopefully the comes together here shortly. The round up committee had a zoom meeting at the end of January to start discussing details more in depth to get the ball rolling. Our board met and discussed the coming show season and events. We will be at the Scott-Carver Show in Jordan July 31, 1-2 of August. Make sure to have that on your calendars. As of this time we don't have a summer visit nailed down. We are looking at May 30th as the possible date. We'll keep shaking the bushes to see what happens. If

you'd be interested in hosting a summer visit let me know as soon as possible. LeSueur County Pioneer Power is having as their feature this year Muscle Tractors. That's the 100 horse plus guys. It's been asked that the area tractor clubs have a table there to represent their particular brand and possibly have a few items to sell like caps, t-shirts and the like. Dave is planning on being their with a few items. It would also be good advertising for the 28 Round Up as well. I know it's early but We are always looking for someone to host a plow day. We need to have more pictures taken at our events and get them to us so we can get them into the Harvester Highlights. They more we have of exposure will benefit us in 2028.

We've been having discussions about a change of venue for our club meetings. It's getting to be quite a process to have them in Arlington. We'll keep looking and let you know what we find.

Also keep in mind that Swap Meet will be coming up the last weekend in April. Please contact Dave if you can help set up & tear down. Help is needed. If we can't get help we won't be doing them anymore. It takes a lot of work.

Also if anyone is coming from the St. Cloud area Tom Lubbesmeier is looking for a ride. You can contact him @ 320-253-4308.

Well I've rambled enough. See you in March. Stay warm, Stay safe, but most of all STAY RED!!
