## **PRESIDENTS MESSAGE**

05-13-23

Greetings all. Spring has finally come. Crops are going in and things are moving on. I've been ready for winter to be done. I imagine everyone is working on projects and getting ready for the summer activities to begin.

Swap meet was a little interesting. Friday was wet and cold but Saturday was better. We sold ok for how things were. Sunday was a short day as the crowd was slim. I helped Dave tear down the booth & a big thanks to the Traxler's for coming to help load. With that being said we still need help with set up & tear down. I'm thinking about making up a list of possible volunteers and trying to schedule help. Granted I helped but I had my own stuff to take down and load and had no help. The Traxler's had their own to load as well. We can

have more discussion on this.

Our summer visit is coming up at Herman & Mary's June 3<sup>rd</sup>. People can start showing up around 10. Meal at noon followed by the meeting. We are going to try something different. We are having Domino's make pizza & wings for our meal. Looking at about \$10 a plate. So please get your reservation in so we can have an accurate number. We had 21 people not show at the last meeting that had reserved a meal. The club can't keep taking a hit like that.

We had 22 no shows in December. Our state show at Dalton this year is September 8-10. Things there are starting to flesh out. As far as plow days go we have a possible plow day in August at Aaron & Shelly Starz. Will see how the grain goes and if harvest cooperates. We are on track for Herman & Mary's in the fall. Date to be determined.

We've had another death in the club. Douglas Triplett passed away. And on the national level, as most of you have seen in the Harvester Highlights, Jim Shutt passed away. Let us keep their families in our thoughts and prayers.

There has been interest in our

brochures as many have been taken. According to Jerry there have been 3 new memberships from those so far. Lets hope that trend continues to grow. We need new members to replace our outgoing members and new fresh ideas as well.

Dave has said that he would like to give up the merchandise roll and have someone else take it over. He would train someone in so when he's done the new person or persons can hit the ground running. If no one is interested in taking it over then we have to look at giving up on selling merchandise. I'd hate to see that happen as we were the first club to start this and everyone else followed our lead.

I want to thank everyone for all their efforts and have you know its very appreciated. Well, that's enough for now. Everyone stay safe and we'll see you at Herman & Mary's.

Stay RED  
Bill Radil  
President, MN Chapter 15

## ***MERCHANDISE REPORT***

I once again have the Tractor Mac books. There are 3 or so that are no longer available. I have had some requests for a jacket, if you are interested let me know and if there is enough interest I will look for a good jacket. I do have two of the zip up sweatshirts left with the state logo.
