PRESIDENTS MESSAGE

5-17-22

Hi folks, hope this finds you all well. It was good to see everyone at the March meeting. It's good to be able to get together again and live a half way normal life. Spring has final sprung but what a spring it has been. Farmers have been trying to get what ever crop they can planted. My corn is up out at Pioneer Power. Got it in luckily right before that long wet spell hit. Swap meet was wet and soggy. The nick name for it was swamp meet. Sales were good at the booth regardless of the weather. Speaking of swap meet we need to address an issue. I know several of you help out at the booth and its very much appreciated. But we need to take the extra step. Dave and Joyce were left there Sunday afternoon to load the trailer all by themselves. That's a lot of work for two people who have

been there the entire time. Lets try and be there for the whole time. If you can help on Sunday afternoon please let Dave know. He has stated that if he has to do it by themselves again they won't do it anymore. I can't really blame them.

Our summer visit is coming up. We will be visiting Lee Sackett's restoration shop at Waltham MN. We had planned this a couple years ago but COVID derailed our plans. It's the old Waltham Equipment IH dealership building. It still looks like it did back in the day. We will take a little tour of the facilities and have our meeting and meal. Hy-Vee out of Austin will be catering the meal. Social time start at 10:30-Lunch 12:00-Meeting 1:00

We also have our summer show to get ready for in August at the Mechanical Historical Round table in Rochester August 13-14. They are going to need us to help and pitch in a little which should be no problem.

It was good to see those of you at Paul Adelman's memorial in Glencoe this past Saturday. It's nice to know we

are there for members when needed. I'm sure Mary and the family appreciated it.

Well that's all for now. Hopefully see you on the 4th at Lee's. Stay healthy, stay dry, stay RED

MERCHANDISE REPORT

I have been able to restock most of the items that were sold at LeSueur. Some of the more popular caps have been unavailable any longer. It seems they have a certain number made and when they are gone there are no more.

I plan to order jackets so if you want one let me know. I am thinking the price will be in the \$75 to \$85 range. Of course once the size gets beyond XL the cost goes up substantially.

Dave Kanten, Merchandise Manager

WEBSITE

I try to keep up on the happenings; deaths, meetings, cancellations as best I can. If you have something you would like in it let me know, especially if you have an event cancelled or postponed.

There seems to be some people that are having trouble getting on to the website and facebook. If you are having a problem see one of us at one of the meetings and we will try to help you. Just sending emails that it won't work for you, we can't really do much as we can't see what you are doing.
