PRESIDENTS MESSAGE

Hi all! Hope you have been having a great summer. It sure has gone fast. With the weather and my work schedule I have found it hard to get anything done. We just finished picking the last of the raspberries and blueberries and now I see the second crop of strawberries is starting. The grapes are starting to turn so it won't be long and they will be ready to pick.

Show time is getting close and plans are coming together. I'm looking forward to seeing you all there. It's going to be a stretch for me as I will be attending 3 shows in a row. We voted to do 2 shows back to back so we will have to step up and make sure we have a good showing at both. The Rice County show is Labor Day weekend. we will just be showing up there. There will be no meeting or banquet. The following meeting

will be the Atwater show the following Saturday and Sunday. Saturday night we will be having our meeting and banquet. Be sure you call Kathy or Andy with your meal reservations no later than the 25th. This is very important so we get an accurate count and there is enough food for everyone. The feature will be Hydro's and that means anything that IH made with a hydro in it. Cub Cadets to. It would be nice to see a 403 hydro show up. IH didn't make very many of those. But also everything IH is welcome. Bring what you have and show it off.

The meeting/visit at Joe Gossmans was a huge success. We had a lot to see. There was a great turn out and the food was very good. Those of you who missed it missed one of our best if not the best summer visit. Thanks to Joe and his wife and family for having us. It was well worth the trip.

We lost another member this summer. Butch Bjorkland passed away. He came to Joes for the summer visit. He passed not long after that. I'm so glad I got to talk to him and he was able to attend. He knew he didn't have long. I also found out well after the fact that

Bob Ulwelling also passed away. I know I hadn't seen him in a while. Rest in Peace Gentleman. We will miss you

Keep in mind that we will be having elections coming up in December and we will be calling looking for people to run. Jerry Bambenek has indicated that he will not be running for reelection for the board. He will continue in his duties as Membership secretary and financial reviewer. Thanks Jerry for your service.

There are a couple of plow days in the works. I'm hoping they will materialize. We will let you know as soon as we can and as soon as we know.

Well I better go for now. I will you see at the shows and have safe travels. Stay RED.

Thank You

The family of Butch Bjorklund wants to thank SO MANY Chapter 15 members for their support by coming to the visitation and memorial service and sending cards to honor his memory. Some members even brought their tractors! ♥

Thanks for wearing RED and sitting in the designated "RED" pews at church....a GREAT showing of tractor love and GREAT friendships!

The last Chapter 15 event he attended was a farm visit to Joe Gossman's at Dexter on June 1st. He was SO HAPPY to be able to attend! He loved you all!
THANK YOU! And GOD BLESS YOU ALL!

Bev Bjorklund

WEBSITE REPORT

There has been a section added to the bottom of the home page titled "Special Announcements" for notifying of meeting cancellations, deaths, and other pertinent information. This does no good if one does not check it out regularly. I have had comments to me such as "I can't find anything or I don't know where to find it". If you have questions about navigating the site just ask me at any of the shows and I will help you as best I can.

MERCHANDISE REPORT

I have received the new books titled "The Breakup", "Farmall Cub Encyclopedia", and have a supply of the 2020 Lee Klancher calendars. I have also gotten new red tee shirts for both men and women. These were supposed to have pockets for the men but the order got messed up somewhere along the line and most of them came without. I still have some of the \$10 reduced price shirts with the MN. club logo on them.

MESSAGE

I am sending this note on behalf of my father, David T. Jensen. He has been a long time member of your club, but will no longer be able to participate. He now lives in assisted living due to his Alzheimer's diagnosis since his wife past away in November. I know that he would very much want to express his gratitude for the years of sheer joy he got from collecting his beloved Farmalls and meeting all the people who shared that same passion. If he could he would want all the past and present members to continue enjoying this hobby. Please past this message on to those who knew him.

Physically, he is doing very well. Unfortunately, his memory is failing and he know longer shows much interest in this area anymore. He and I wish the club best regards!
Sincerely,

Kristin Tomonovich, his eldest daughter

P.S. If any of the members want to send him a note his address is 5307 Hills Crossing Nisswa, MN 56468. He does still remember people for the most part.
